

IRQB Conference

August 29th, 2019
Moscow - Shcherbinka
Bernard Kaufmann
IRQB Coordinator

Three roles – one aim

IRIS Certification™

IRQB

ISO

The IRIS Management Centre:

- Remains responsible for the day to day certification business
- Supports all requests linked to IRIS Certification™
- Controls the scheme amongst all stakeholders

Committed to

- Work out further developments
- Organise and attend communication events
- Act worldwide

IRQB: the board

Coordinating the board:

- Managing seven Working groups
 - Calibration
 - Feedback
 - Three on guidelines: KPIs, Maintenance, Special processes
 - Distributors
 - Communication
- Implementing the decisions
- Centralizing all demands and actions
- Acting on legal aspects

The Working Group 5:

- In charge of developing until 2022, a full ISO Standard
- Based on a set of more than 400 comments
- Take into account other documents
- Implement evolution of rail sector

My tasks:

- Organise the works and report to the TC 269 plenary
- Find alignment, despite cultural and historical differences
- Enhance added value for the rail sector
- Have a worldwide consensus

Thank you

See you soon as a member of the IRIS Portal, the IRQB or the ISO WG
and moreover,
as an IRIS certified company !
